

Picture Perfect Virtual Staging

Home Page

- Explore Gallery button does not work
- Discover Our Latest Collections
 - View all collections doesn't work
 - Living room collections photo do not go to the collections
- ` Our Happy Clients
 - Should be displaying 5 stars
 - Agent profile images are missing
- Place order button below slider does not work

Blog

- Blog dates need to be updated
- Author name
- Recent blogs have not been updated
- Images are missing in most of the blog posts
- Bottom of the page goes to 22 pages – not reflecting current number of blog posts

Furniture Gallery

- Needs a blue box around the images
- Pls add some kind of animation
- Same when you click into the sets

Residential Premade Gallery

- Delete because it is the same as the curated collections page

Curated Collections

- Links don't work
- Under styles– where do we upload the examples?
- Order button doesn't work

- Order button doesn't work

Commercial Virtual Renovation

- Order button doesn't work

FAQ

- Font is very small now

Contact

- Doesn't work

Social Media Links

- TIKTOK needs to be <https://www.tiktok.com/@pictureperfectvstaging>

Other pages

- Customer Login doesn't work
- Cart doesn't work

Order Form

- Order form is all messed up and not like we discussed
- After you enter your personal information nothing really works
- You can hit next without entering your information
- This is a complete mess pls fix and then I will redo
- Rapid deliver and super rapid delivery and property video DOES NOT belong!!!
